

Bikes for Tykes

MONTHLY NEWSLETTER FOR Aug 2023

Free Bike Repair Day

On Aug 8th Bikes for Tykes worked at Catholic Charities on the East Trail from 10am until 1pm providing free bike repairs for the homeless.

300 bikes given out to students

Bikes for Tykes partnered with Lipman Family Farms for their annual Back to School event. To promote safety, the Blue Zones Project provided and fitted the young riders with new helmets.

Supporting our Students with bikes and helmets

Cpl. Manuel Decastro of the Collier County Sheriff's Office Youth Relations Bureau presents Bertide Jean with a bicycle. Bertride is a 12th grade student at Immokalee High School that needed transportation so that she could continue to participate in after school sports programs.

Building bikes for Catholic Charities

Our shop has been busy building up trikes (both standard and electric) for their initiative to help those in need. Our goal is to give them mobility and hope.
