

# Bikes for Tykes

MONTHLY NEWSLETTER FOR Sept 2023

## Bikes for Shelly Stayer Shelter

We partnered with Immokalee deputies to provide bicycles to the Shelly Stayer Shelter. The shelter provides a safe haven for victims of human trafficking and domestic violence.

## Training local Boy Scouts

Mason Fultz who is working on becoming an Eagle Scout organized an event teaching bike repair at our shop. Nine scouts and one leader from Naples Boy Scout Troop 2001 worked alongside five Bikes for Tykes volunteers.

*We are training today's Boy Scouts valuable skills to be prepared for the challenges of the future.*

## Delivered Bikes to FGCU

FGCU received 15 Bikes from Bikes for Tykes. Five of them were given to music students from Vietnam. They will use them for transportation around the school's campus.

## Free Bike Repair Day

The 3rd Sat. of each month at the Golden Gate Farmers Market bike repairs are provided from 9am to noon. Volunteer Dave Beitzel is shown here working on a client's bike.

## A Giving Heart

What a joy it is to receive a new bike! Catholic Charities presented a woman in need with a brand-new Trike that was built by Bikes for Tykes. Giving her freedom but also a sense of community and support from those who made this possible.

Scan or click the QR code to Donate Now! Consider a donation today and be part of our initiative. Together, we can give the gift of mobility, independence, and happiness to children and adults in need.
