GIVING BIKES TO THOSE IN NEED

Recently, Hope City Church in Bonita Springs reached out to us about two boys, ages 12 and 14, who had their bikes stolen, making it difficult for them to get to soccer practice. Bikes for Tykes stepped in, providing new bikes, helmets, and locks. During the delivery, we learned that the boys had also lost their father to COVID, adding to the family's challenges. We are thankful for partners like Hope City Church, who help us continue our mission of empowering individuals and families to thrive.

Lely High School benefits from our school gifting program

Lely students have a chance to win a bike based on their positive behavior in the classroom and around campus. The students focus on greatness, respect, integrity, and teamwork (GRIT). The school recognizes these behaviors by giving out positive referrals and "Posi" tickets, both of which enter students into monthly drawings. Each drawing offers several rewards, with the bikes being the top prize.
